

Find fuel for thought in The Car Show

From Consumer Reports Films

The cost of fuel and car maintenance makes buying and owning a car an expensive proposition. "The Car Show" can reduce costs and increase car safety with eye-opening segments on:

- Advantages of smaller vs. larger cars
- How careful driving can dramatically increase fuel mileage
- Getting longer wear from your tires
- A special report on child safety restraints: Which brands are best?
- The pros and cons of diesel engines
- Why you shouldn't waste your money on "gas-saving" gadgets
- How to buy a used car: tips on checking for rust, worn shock absorbers, transmission troubles, and more

22 MINUTES.
AVAILABLE FOR RENTAL OR PURCHASE.
